My Agent
Hello, I'm your go-to marketing and copywriting. Ready to craft some? Feel free to customize my goals, or better suit your marketing needs. I campaigns ahead!

Emily
Is there anything new happening with intelligence?

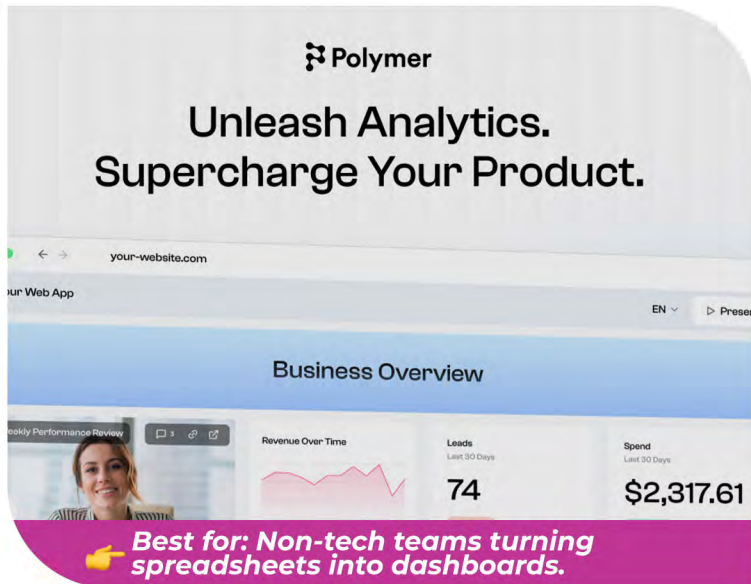

Ask me anything...

Best for: Teams that juggle planning, content, and tasks — all in one place.

TASKADE AI

Plan Smarter with Taskade

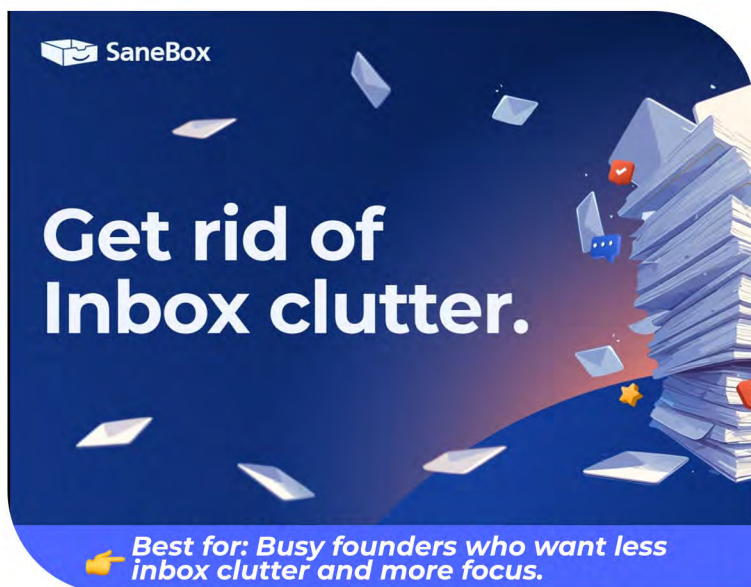

Taskade combines project management, mind mapping, and writing all powered by AI. It's like Notion + ChatGPT + Trello, made for small businesses that want to stay organized and creative.

POLYMER

Visualize Your Data

Polymer uses AI to transform your raw data (CSV or Excel) into beautiful, interactive dashboards. No code or analyst needed!

SANEBOX

Clean Up Your Inbox

SaneBox uses AI to sort your emails, keeping only what matters in your inbox and tucking everything else away. Less distraction, more focus.
